

BU-00208-@ (Micro Plunger Clip)

- The BU-00208 is a micro plunger clip that is typically used for testing small electronic components.
- Material: Cap, Body Nylon
Spring Stainless steel
Contact Gold-plated beryllium copper
- Overall length 1.75" (44mm)
- Rating:
 - Voltage: 600V
 - Current: 3 Amps
- Color: "@" in part number is color. Available colors are:
-0 Black, -2 Red, -8 Grey
- RoHS compliant
