Product size (L x W x H)	44 x 40 x 17 mm
Package size (L x W x H)	115 x 70 x 19 mm
Net weight	31 g
Gross weight	33 g
EAN code	5901720130693
Warranty	24 months

Description

Adapter Akyga ® AK-AD-12 allows you to change the DV I t o VGA connector in a standard DVI cable, without the need to purchase an additional cable. The adapter allows you to send high-quality analog signal. The cable is unidirectional, which means that the data flow is one way from DVI to VGA.
