Increases your efficiency: Wiha needle nose pliers with extra-long plier head for inserting low-lying components.

Protects your health: Special DynamicJoint® design reduces effort required for cutting.

Increases your safety: Wiha combination pliers enable safe, non-slip gripping in all work situations.

Application: For attaching and removing circlips in holes as well as on shafts and axles.

DIN ISO 5746, DIN ISO5749, DIN ISO 5745
