## ULTRA FINE MARKERS

A distinctive silhouette, Sharpie always looks and feels like a Sharpie, even when it's Ultra Fine! With a wide range of intensely brilliant colours, and ink that is quick-drying, fade- and water-resistant, you can't go wrong! Boasting an ultra-fine yet durable and pressure-resistant tip, they make for the most coveted companions when it comes to making your ideas indelible, doodling or jotting down notes. Extremely versatile, they can be used on ink-resistant surfaces and still look nearly as good as just inked.
