

# swivel mounting SBN-20/25

Part number: 539927

FESTO

Suitable for DSNU/ESNU round cylinder, mounting to bearing cap or end cap is permissible

## Data sheet

Feature	Value
Size	25
Assembly position	Any
Corrosion resistance classification CRC	1 - Low corrosion stress
Product weight	238 g
Material mounting ring	Wrought Aluminium alloy Anodised
Material bearing	Bronze
Material screws	Steel Galvanised
Material bracket	Steel
