

## HVAC Bobbin Mounts - Type VVTC (Male - Male)

Fibet VVTC Mounts are the best low-cost solution for a wide range of air movement products.

They are designed with high damping capabilities in the medium-high frequency range to reduce noise (actual and transient) and vibration levels of any air movement products (including air-conditioning, ventilation & MVHR systems), dramatically improving the local environment for occupants, users and neighbours.

The Mounts are easy to install and are offered in kits which include a set of 4 x Mounts c/w Nuts & Washers to suit any system requirements.
