	Sheet	42.70	x	21.20			Length x Width(cm)	

Product Description

The WypAll® X80 Range has been specially designed for heavy-duty, rough surface wiping, where strength and bulk are key requirements. WypAll® X80 cloths do not tear and maintaining consistency in quality and size. 70% of users were impressed by the durability of the cloth, leading them to be preferred over rags by 3 times more users. Leading in strength, our goal is to support you in improving productivity and efficiency whilst reducing waste by delivering a clean, reliably consistent and extended use cloth. Advanced Hydroknit technology ensures each cloth is strong, durable and highly absorbent without tearing. Perfect for use in industrial manufacturing. Supplied in a flexible POP-UP Box system, providing protective packaging to prevent grime/dirt touching the product. Single sheet dispensing, giving you controlled usage and access to protected cloths for portability or small work spaces. Individual sheet size 42.7cm (L) x 21.2cm (W). 5 Pop-up boxes x 80 cloths, 1 ply, blue (400 total)
