# Description

Akyga® AK-AD-54 is a compact and durable adapter from USB A to USB C adapter with the latest 3.1 OTG version. System on the go allows you to connect to your smartphone/tablet devices such as pen drive (from which you can configure and read the data), mouse, keyboard, controller or even a charger with USB A output. It is a great solution for people who like to use the most modern technologies available on the market.
