TE Connectivity EconoSeal III 070 Series 4.8mm Pitch 3 Way 1 Row Female Straight PCB Housing

RS Stock No: 680-7006

Product Details

TE Connectivity Econoseal III 070 Series Connector Housings

Econoseal III 070 series automotive wire connector plug and receptacle style housings. These automotive wire connector housings have discrete cable sealing and a centerline of 4.80mm (apart from stock number [718-7252](#) which is 5mm). These Econoseal III 070 automotive wire connector housings are made from black nylon, have polarized mating, inertia locking, a lanceless contact system and accept a wire size range of 0.5 to 2mm²

TE Connectivity Econoseal Connector System

Designed to meet the exacting requirements of the automotive industry, for a reliable sealed connector.

All connectors are designed to be used with thin walled non-irradiated PVC cables

Though designed initially for automotive applications, Econoseal III can be used in any industry where a reliable sealed connector is needed

General Specifications:

Number of Contacts	3
Number of Rows	1
Pitch	4.8mm
Gender	Female
Series	Econoseal III 070
For Use With	Econoseal III Connector
Body Orientation	Straight
Length	20.1mm
Width	19.7mm
Depth	27.6mm
Housing Material	Nylon
CAD Drawing	3D CAD Model
