

MPN	RS Nr.	Plug System	Description
1507470	768-5447		Primera-Line Remote Control Set RC 3600. 1x4 channel hand held transmitter, 3xradio controlled receiver 16A/3600W 230V.Selflearning coding, range up to 25m (frequency 433,92 Mhz), 12V battery, for control up to 3 devices via remote control. German plug system.
1507471	768-5513		Primera-Line Remote Control Set RC 3600. 1x4 channel hand held transmitter, 3xradio controlled receiver 16A/3600W 230V.Selflearning coding, range up to 25m (frequency 433,92 Mhz), 12V battery, for control up to 3 devices via remote control. French plug system.
1507473	768-5368		Primera-Line Remote Control Set RC 3600. 1x4 channel hand held transmitter, 3xradio controlled receiver 13A/3120W 230V.Selflearning coding, range up to 25m (frequency 433,92 Mhz), 12V battery, for control up to 3 devices via remote control. British plug system.
1150053	768-5526		Power Manager PMA, 5 sockets individually switched 1-pole, 1 main switch 2-pole, surge protection 15.000A, integrated HF-filter against high frequency failure, 4fold USB-Hub 2.0, 2m cable 13A 3120W, USB cable included. British plug system.
1153343215	768-5352		Super-Solid 5way extension socket made of highly break-resistant polycarbonate, illuminated 2pole switch, hanging facility, cable output opposite of switch, 2,5m cable 13A 3120W, British plug system.
1153343218	768-5361		Super-Solid 8way extension socket made of highly break-resistant polycarbonate, illuminated 2pole switch, hanging facility, cable output opposite of switch, 2,5m cable 13A 3120W, British plug system.
1153344115	768-5475		Super-Solid 5way extension socket made of highly break-resistant polycarbonate, illuminated 2pole switch, hanging facility, cable output opposite of switch, 2,5m cable 13A 3120W, French plug system.
1153344118	768-5484		Super-Solid 8way extension socket made of highly break-resistant polycarbonate, illuminated 2pole switch, hanging facility, cable output opposite of switch, 2,5m cable 13A 3120W, French plug system.
1153344315	768-5507		Super-Solid 4500A surge protected 5way extension socket made of highly break-resistant polycarbonate, illuminated 2pole switch, hanging facility, cable output opposite of switch, 2,5m cable 13A 3120W, French plug system.
1153344318	768-5500		Super-Solid 4500A surge protected 8way extension socket made of highly break-resistant polycarbonate, illuminated 2pole switch, hanging facility, cable output opposite of switch, 2,5m cable 13A 3120W, French plug system.
1153520122	768-5431		Desktop-Power-Plus with USB 2.0 hub with 5 V jack. 1,8m cable 230V 16A, 2 sockets, 4 USB-ports, 1m connecting cable with USB-plug, white colour (polished). German plug system.

1153540134	768-5437		Desktop-Power with USB 2.0 hub, 1,8m cable 230V 16A, 4 sockets, 4 USB-ports, 1m connecting cable with USB-plug, ON/OFF switch, German plug system.
1153541124	768-5481		Desktop-Power-Plus with USB 2.0 hub, 1,8m cable 230V 16A, 2 sockets, 4 USB-ports, 1m connecting cable with USB-plug, French plug system.
1153541134	768-5487		Desktop-Power with USB 2.0 hub, 1,8m cable 230V 16A, 4 sockets, 4 USB-ports, 1m connecting cable with USB-plug, ON/OFF switch, French plug system.
1153543134	768-5364		Desktop-Power with USB 2.0 hub, 4500A surge protected, 1,8m cable 230V 13A, 4 sockets, 4 USB-ports, 1m connecting cable with USB-plug, ON/OFF switch, British plug system.
1153904314	768-5504		Eco-Line 4.500A surge protected 4way extension socket 230V 16A.1,5m cable, ON/OFF switch French plug system.
1155110014	768-5386		Premium-Line 4way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 1,8 m. 230V 16A. Black colour. German plug system.
1155150014	768-5380		Premium-Line 4way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 1,8 m. 230V 16A. Black/grey colour. German plug system.
1155550014	768-5383		Premium-Line 4way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 1,8 m. 230V 16A. Grey colour. German plug system.
1156003014	768-5314		Premium-Line 4way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 1,8 m. 230V 13A. Black colour. British plug system.
1156003018	768-5330		Premium-Line 8way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 13A. Black colour. British plug system.
1156003218	768-5358	IEC plug	Premium-Line 8way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 10A IEC plug, black colour.
1156004014	768-5459		Premium-Line 4way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 1,8 m. 230V 16A. Black colour. French plug system.

1156004810	768-5469		Premium-Line 10way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black colour. French plug system.
1156004816	768-5462		Premium-Line 6way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black colour. French plug system.
1156050077	768-5412		Premium-Line 5way extension socket, made of break-resistant special plastic material. Each socket switched by an illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black/grey colour. German plug system.
1156050396	768-5443		Premium-Line 30.000A surge protected 6way extension socket, 3 m cable, Nominal current 10A (replaceable 10A fuse), surge active indicator, interference filter EMI/RFI, ON/OFF switch. Colour Black/Light Grey. German plug system.
1156053012	768-5342		Premium-Line 12way extension socket (8 and 4 sockets switched), made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 13A. Black/grey colour. British plug system.
1156053014	768-5327		Premium-Line 4way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 1,8 m. 230V 13A. Black/grey colour. British plug system.
1156053079	768-5346		Premium-Line 5way extension socket (1x3 + 2x1 sockets switched by an illuminated 2-pole ON/OFF safety switch), made of break-resistant special plastic material. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 13A. Black/grey colour. British plug system.
1156053394	768-5529		Premium-Line 30.000A surge protected 4way extension socket, 3 m cable, Nominal current 10A (replaceable 10A fuse), surge active indicator, interference filter EMI/RF, ON/OFF switch. Colour Black/Light Grey. British plug system.
1156054014	768-5453		Premium-Line 4way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 1,8 m. 230V 16A. Black/grey colour. French plug system.
1156054077	768-5471		Premium-Line 5way extension socket, made of break-resistant special plastic material. Each socket switched by an illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black/grey colour. French plug system.
1156054810	768-5478		Premium-Line 10way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black/grey colour. French plug system.
1156054816	768-5465		Premium-Line 6way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black/grey colour. French plug system.

1156054824	768-5490		Premium-Line 30.000A surge protected 4way extension socket, 3 m cable, Nominal current 10A (replaceable 10A fuse), surge active indicator, interference filter EMI/RFI, ON/OFF switch. Colour Black/Light Grey. French plug system.
1156054826	768-5493		Premium-Line 30.000A surge protected 6way extension socket, 3 m cable, Nominal current 10A (replaceable 10A fuse), surge active indicator, interference filter EMI/RFI, ON/OFF switch. Colour Black/Light Grey. German plug system.
1156057018	768-5425		Premium-Line 19" extension socket for cabinets, 8 sockets, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. Childproof sockets. Cable length 3m. 230V 16A. Black/grey colour. German plug system.
1156057118	768-5421	IEC plug	Premium-Line 19" extension socket for cabinets, 8 sockets, made of break-resistant special plastic material, 10A safety fuse.. Childproof sockets. Cable length 3m. 230V 1A. Black/grey colour. With IEC plug.
1156057396	768-5434		Premium-Line 19" 30.000A surge protected 6way extension socket, 3 m cable, Nominal current 10A (replaceable 10A fuse), surge active indicator, interference filter EMI/RFI, ON/OFF switch. Colour Black/Light Grey. German plug system.
1156110010	768-5409		Premium-Line 10way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black colour. German plug system.
1156110016	768-5392		Premium-Line 6way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black colour. German plug system.
1156113016	768-5324		Premium-Line 6way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 13A. Black colour. British plug system.
1156150010	768-5403		Premium-Line 10way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black/grey colour. German plug system.
1156150016	768-5396		Premium-Line 6way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 16A. Black/grey colour. German plug system.
1156153016	768-5333		Premium-Line 6way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 13A. Black/grey colour. British plug system.
1156153018	768-5349		Premium-Line 8way extension socket, made of break-resistant special plastic material. Illuminated 2-pole ON/OFF safety switch. With option to wind the cable around the housing for storage, practical hanging facility. Childproof sockets. Cable length 3m. 230V 13A. Black/grey colour. British plug system.
