SPOT ON: PINPOINT ILLUMINATION

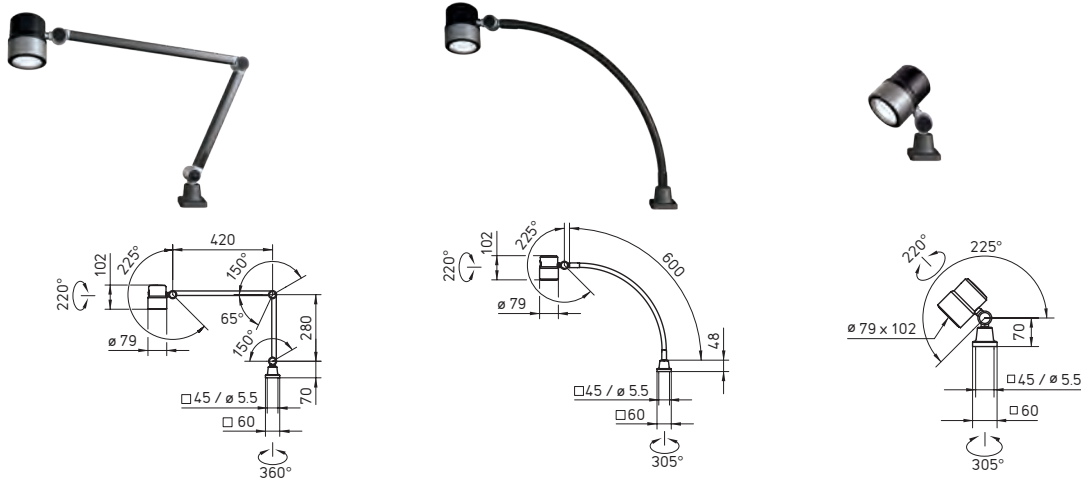

ROCIA.focus

VERSATILE LED MACHINE LIGHT

ROCIA.focus is Waldmann's newest LED spot light, constructed from rugged anodized aluminum and designed for the most volatile industrial environments. Specially designed optics and high-powered LEDs provide bright white, glare-free lighting of up to 30,000 lux with a 5000K color temperature, providing precise illumination to the machining area. In addition, ROCIA.focus boasts up to 90% in energy savings when compared to similar machine lights.

- 12-40V DC, 12-28V AC, or 100-240V AC
- Triple high-power LED modules
- 60,000 hour maintenance-free operation
- Precision optics available in 10° or 40° beam spreads
- IP67 protection against water, oil, etc.
- 5000K color temperature
- High-resistance against heat, wear and corrosion
- Programmable for on/off or continuous dimming
- ETL/cETL approved
