

DCF813D2

10.8V XR Li-Ion Impact Wrench - 2.0Ah

Selling Proposition

- Compact body enables operation in confined spaces and repetitive use with minimal fatigue
- 3 LED 'Halo' ring provides maximum illumination to work piece
- Parabolic switch profile allowing for greater control over speed
- Ergonomic handle and rubber overmold reduces surface vibration and user fatigue
- All metal gearing for efficient power transmission and long tool life
- 10.8V Compact Cordless Impact Wrench

Standard Equipment

- 2 x 2.0Ah XR Li-Ion battery packs
- XR Multi-voltage charger
- Heavy duty kitbox

Warranty Specifications

- 3 year limited warranty
- 30 Day No Risk Satisfaction Guarantee
- 1 Year Free Service Contract

Specifications	
Battery chemistry	XR Li-Ion
Voltage	10.8 V
Battery Capacity	2.0 Ah
Max. Torque	130 Nm
Power Output	147 Watt
No Load Speed	0-2450 rpm
Impacts per Minute	3400 ipm
Max. Bolt Diameter	M12
