MODEL NO: PLJT50 - PLJT51

SUBJECT: **LED 1-3-5W – Lens-diffuser Coupling - Output Luminous Intensity Measurement**

PLJT50 - PLJT51

- High diffusion
- No vibration problems
- Color: White Milk

Typical applications are

- Architectural lighting
- Step-marker
- Signalling
- All the applications where power diffused lighting signalling is requested.

DESCRIPTION:

Verification of Luminous Intensity in coupling conditions between Khatod lenses and 1W White LEDs.

REPORT:

PLJT50 - PLJT51 is a special lens whose visual capacity achieves 170° on horizontal plane by creating a side view effect. PLJT50 - PLJT51 diffuses the Power LED light as a real diffuser and not as a simple dot of light. The lens gives the light a full side view effect with a great light uniformity.

The following measurements have been taken by using a standard white power LEDs at 0,5 m - 1 m - 2 m distance.

MEASURED DATA:

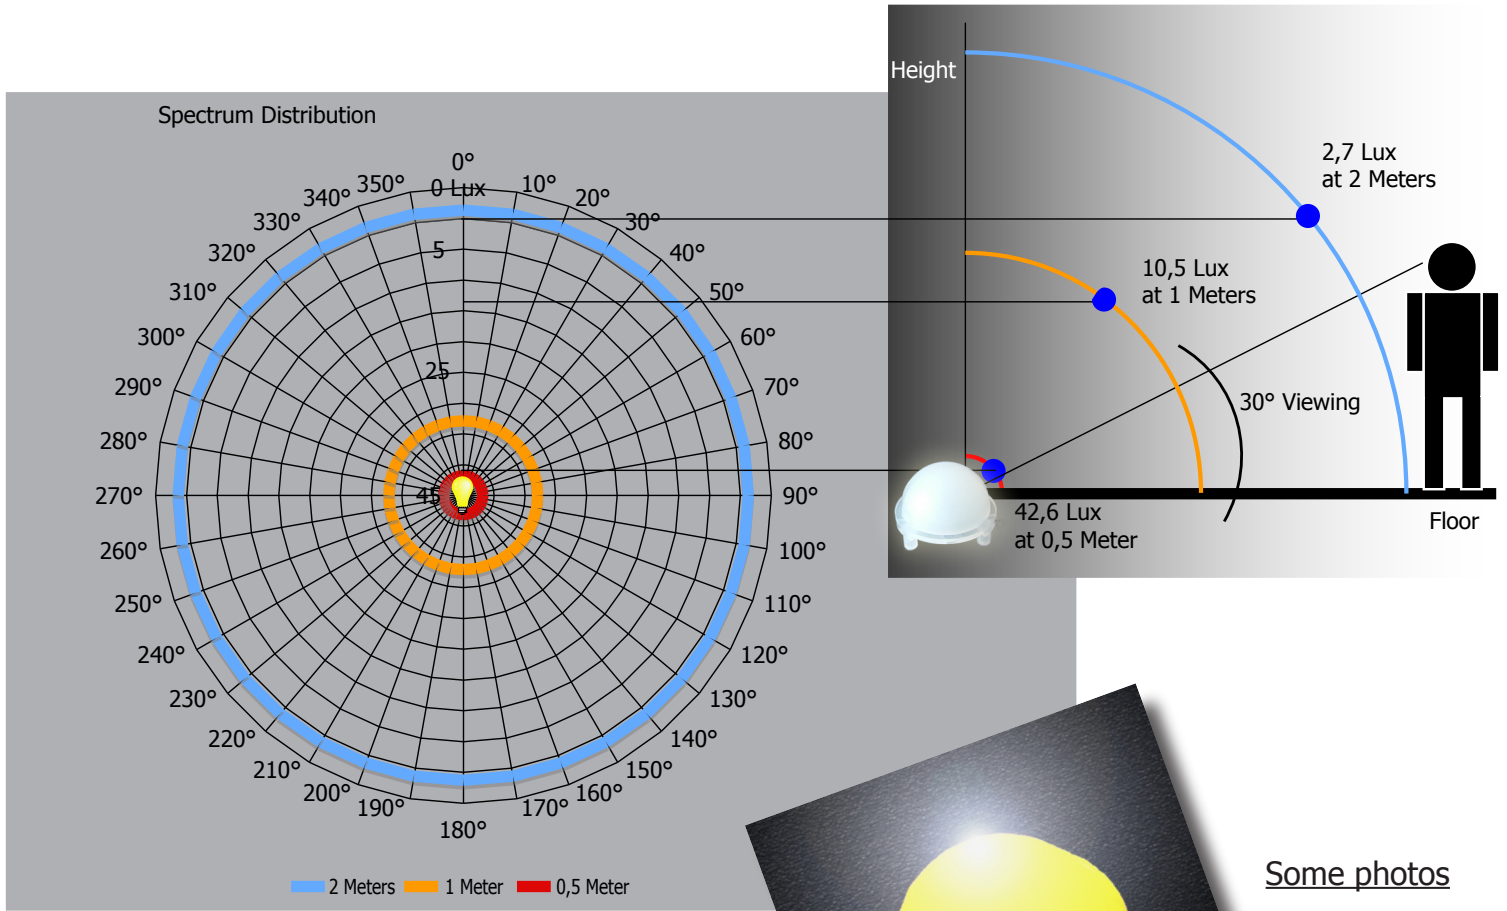

Column 1 shows p/n of the Lenses, column 2 shows Luminous Intensity detected measuring LEDs without lens, column 3 shows Luminous Intensity detected on LEDs coupled with lens, column 4 shows the difference (X*) between col. 2 and col. 3

Lens Diffuser PLJT50 - PLJT51	Lux from 0,5 Mt (ftc from 0,5 Mt)	Lux from 1 Mt (ftc from 1 Mt)	Lux from 2 Mt (ftc from 2 Mt)
Lux (ftc)	42,6 (3,93 ftc)	10,5 (0,97 ftc)	2,7 (0,25 ftc)

Test carried out after 5 min. of operation of the LED to 350 mA ~ , local power source **GOSSEN KONSTANTER** mod 3226-K118
Measurements carried out with Luxometer mod LUX-1337 of **ISO-TEC** and **MINOLTA** mod LS – 150

* X is the value of the measurement of the LED brightness at 1 meter distance, without optic devices applied to the LED.

The diagram shows the performance of Khatod lenses

Some photos

Test conditions:

Test current: 350 mA / LED
 Room Luminous Intensity :0 Lumen
 Room Temperature: 33° C
 LED temperature after 10 min. : ~ 49 °C

Differences between PLJT50 -PLJT51:

Lens characteristics

Parameter	Symbol	Rating	Unit
Lens Material	PC	--	--
Holder Material	--	--	--
Operating Temperature	Topr	-40 to +120	°C
Storage Temperature	Tstg	-40 to +120	°C

Average transmittance in visible spectrum (400 – 700nm) >90% as measured by using 3mm thick Optical Grade PC

LED characteristics

• *Value is valid for any 1-3-5W lambertian LED.*

Notes:

Please note that flow lines and weld lines on the external surfaces of the lenses are acceptable if the optical performance of the lens is within the specification described in the section "OPTICAL CHARACTERISTICS"

- Should you require further information, please contact Khatod for advice.
- All lens testing must be subject to identical conditions as Khatod test condition.
- Published by Khatod optoelectronic srl - All the data contained in this document are the property of Khatod optoelectronic srl and may change without notice.

KHATOD LENS Use And Maintenance

- DO NOT HANDLE OR INSTALL LENSES WITHOUT WEARING GLOVES, SKIN OILS MAY DAMAGE LENS OR LIGHT TRANSMISSION
- CLEAN LENSES WITH MILD SOAP AND WATER AND A SOFT CLOTH
- DO NOT USE ANY COMMERCIAL CLEANING SOLVENTS ON THE LENSES

Khatod SRL, Milan, Italy, manufactures lenses for LEDs. Any other use of the lens shall void our liability and warranty. The lenses are an inert component to be used in the manufacture of various products. Our warranty and liability are limited only to the manufacture of the lens. You may not modify, copy, distribute reproduce, license or alter the lens and related materials of Khatod SRL. Khatod SRL does not warrant against damages or defects arising out of the use or misuse of the products; against defects or damage arising from improper installation, or against defects in the product or in its components. No warranty of any kind, expressed or implied, is made regarding the safety of the products. The entire risk as to the quality or performance of the product is with the buyer. In no event shall Khatod SRL or Khatod USA be liable for any direct, indirect, punitive, incidental, special, consequential damages, or any damages whatsoever arising out of or connected with the use or misuse of the product. Khatod SRL shall not have any obligation with respect to the product or any part thereof, whether based on contract, tort, strict liability or otherwise. Buyer assumes all risks and liability from use of the product. The laws of Milan, Italy govern this product warranty and liability and you hereby consent to the exclusive jurisdiction and venue of courts in Milan, Italy in all disputes arising out of or relating to the use of this product.
