### Identification

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| Category                 | Sockets                                                                                       |
| Series of hoods/housings | Han-Port <sup>®</sup>                                                                         |
| Element                  | Frames                                                                                        |
| Specification            | Single<br>Metal version, nickel plated (electrically conductive)<br>Transparent plastic cover |

### Technical characteristics

|                                        |                |
|----------------------------------------|----------------|
| Limiting temperature                   | -10 ... +60 °C |
| Storage temperature                    | -25 ... +60 °C |
| Degree of protection acc. to IEC 60529 | IP65           |

### Material properties

|                             |                  |
|-----------------------------|------------------|
| Material (hood/housing)     | Zinc die-cast    |
| Surface (hood/housing)      | Smoothed surface |
| RoHS                        | compliant        |
| ELV status                  | compliant        |
| China RoHS                  | e                |
| REACH Annex XVII substances | Not contained    |
| REACH ANNEX XIV substances  | Not contained    |
| REACH SVHC substances       | Not contained    |

### Commercial data

|                |   |
