

Part: 498900  
 Series: Fuseholder for MIDI® Series Automotive Fuses  
 Technology: Fuse Holders, Blocks and Clips - Electronic and Automotive Types

<b>PARAMETERS</b>		
Package Type	Pkg Type	Fuseholder
Mount Method	Mount	
Body Style for International Shock-Safe Fuseholders	Body	
Color of Device	Color	
For use with this UL Class or Fuse Type	Fuse Type	MIDI
For use with this UL Class or Fuse Type	Fuse Type	498
Fuse Mounting Method	Fusemounting	Automotive Type Fuses
Indicating	Indicating	N
Maximum Current Rating	Max (A)	200.0000
AC Voltage Rating	Max VAC (V)	32
Max DC Voltage	Max VDC (V)	32
Mounting Type	Mounting	In-Line
	special1	155100U
	special2	155100U
Terminal Style for International Shock-Safe Fuseholders	Terminal	"3/16"" NEMA QC"
For use with UL Class ____ Fuses	UL Class	Supplementary Protection
