

Bare HDMI Male Connector

This is HDMI male connector without wire. It exposes all the HDMI wire as bare pins so that you can hack it easily.

Features:

- Bare connector
- Easy to hack

Specification:

- Current rating: 0.5A AC,DC
- Voltage rating: 40V AC,DC
- Temperature range: -40°C to +85°C
- Withstand voltage: 500V/min
- Contact resistance: contact \leq 0.03 Ω ,housing \leq 0.05 Ω
- Insulation resistance: \geq 10M Ω
- Base: LCP UL94V-0
- Coat: Phosphor bronze nickel plated
