Description

User benefit	<ul style="list-style-type: none"> • 11 metal drill bits Ø 2-8 mm with titanium nitride coating. The high-grade metal drill bits with titanium-nitride coating excel through their long service life and high strength. For fast, clean drilling in the most diverse metals, plexiglass and hard plastics (not suitable for use with aluminium). • Up to 40% faster drilling progress than with comparable drill bits without titanium nitride coating. Up to 6-times longer service life when used with proper cooling. • 11 masonry drill bits Ø 3-10 mm with carbide tip suitable for hammer drilling in masonry, limestone, natural stone and cast stone. • 8 wood drill bits Ø 3-10 mm with centring tip for precise centring. For hardwood, softwood and plastic. • 49 screwdriver bits with Phillips, Pozidriv, Torx, hexagon-head and longitudinal slot screw heads in all standard sizes, as well as 8 nutsetters for all screw applications. • 1 manual screwdriver with ratchet function for screw fittings and 1 magnetic universal holder for fast bit changes and a reliable screw hold in the bit. • Practical Bosch V-Line case with clearly arranged content layout. Easy and safe removal of accessories, as well as simplified selection of the accessories thanks to application pictograms. • Suitable for all power tool brands. • Note: Always use coolant when drilling in metal, e.g. Bosch universal cutting oil 2 607 001 409. • Safety note: Please wear appropriate protective clothing based on the application: Metal drilling: Protective glasses Wood drilling: Protective glasses and dust mask Stone drilling: Protective glasses, dust mask, hearing protection and work gloves
