|---------------|--|--------------------------------|--|
|               | Breakaway                                      | No                             |  |
|               | Circuits (Loaded)                              | 10                             |  |
|               | Circuits (maximum)                             | 10                             |  |
|               | Color - Resin                                  | Black                          |  |
|               | Durability (mating cycles max)                 | 30                             |  |
|               | Flammability                                   | 94V-0                          |  |
|               | Glow-Wire Capable                              | Yes                            |  |
|               | Lock to Mating Part                            | Yes                            |  |
|               | Mated Height                                   | 17.64mm                        |  |
|               | Material - Metal                               | Brass                          |  |
|               | Material - Plating Mating                      | Tin                            |  |
|               | Material - Plating Termination                 | Tin                            |  |
|               | Material - Resin                               | High Temperature Thermoplastic |  |
|               | Net Weight                                     | 1.458/g                        |  |
|               | Number of Rows                                 | 2                              |  |
|               | Orientation                                    | –<br>Vertical                  |  |
|               | PC Tail Length                                 | 3.18mm                         |  |
|               | PCB Locator                                    | Yes                            |  |
|               | PCB Retention                                  | None                           |  |
|               | PCB Thickness - Recommended                    | 1.60mm                         |  |
|               | Packaging Type                                 | Tray                           |  |
|               | Pitch - Mating Interface                       | 3.00mm                         |  |
|               | Plating min - Mating                           | 0.254µm                        |  |
|               | Polarized to PCB                               | Yes                            |  |
|               | Shrouded                                       | Fully                          |  |
|               | Stackable                                      | No                             |  |
|               | Surface Mount Compatible (SMC)                 | Yes                            |  |
|               | Temperature Range - Operating                  | -40° to +105°C                 |  |
|               | Termination Interface: Style                   | Through Hole                   |  |
|               | Termination Interface. Style                   | Through Hole                   |  |
|               | Electrical                                     |                                |  |
|               | Current - Maximum per Contact                  | 8.5A                           |  |
|               | Voltage - Maximum                              | 600V                           |  |
|               | -  |                                |  |
