### Identification

|                             |                             |
|-----------------------------|-----------------------------|
| Category                    | Hoods/Housings              |
| Series of hoods/housings    | Han A <sup>®</sup>          |
| Type of hood/housing        | Hood                        |
| Description of hood/housing | With integrated cable gland |

### Version

|                      |                                                     |
|----------------------|-----------------------------------------------------|
| Size                 | 3 A                                                 |
| Version              | Top entry                                           |
| Cable entry          | 1x Integrated                                       |
| Locking type         | Single locking lever                                |
| Field of application | Standard Hoods/housings for industrial applications |
| Pack contents        | Please order seal screw separately.                 |

### Technical characteristics

|                                        |                                                      |
|----------------------------------------|------------------------------------------------------|
| Limiting temperature                   | -40 ... +125 °C                                      |
| Note on the limiting temperature       | For use as a connector according to IEC 61984.       |
| Degree of protection acc. to IEC 60529 | IP44<br>IP65 With seal screw<br>IP67 With seal screw |
| Type rating acc. to UL 50 / UL 50E     | 4<br>4X<br>12                                        |
| Cable diameter                         | 9 ... 17 mm                                          |

**Pushing Performance**  
Since 1945

## Material properties

|                                           |                      |
|-------------------------------------------|----------------------|
| Material (hood/housing)                   | Polycarbonate (PC)   |
| Colour (hood/housing)                     | RAL 9005 (jet black) |
| Material flammability class acc. to UL 94 | V-0                  |
| RoHS                                      | compliant            |
