RS PRO DVI-A M – VGA F Adaptor

RS Stock No.: 182-8557

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO DVI-A to VGA adapter, DVI-A uses the analogue signals from the DVI connector for use with a VGA monitor.

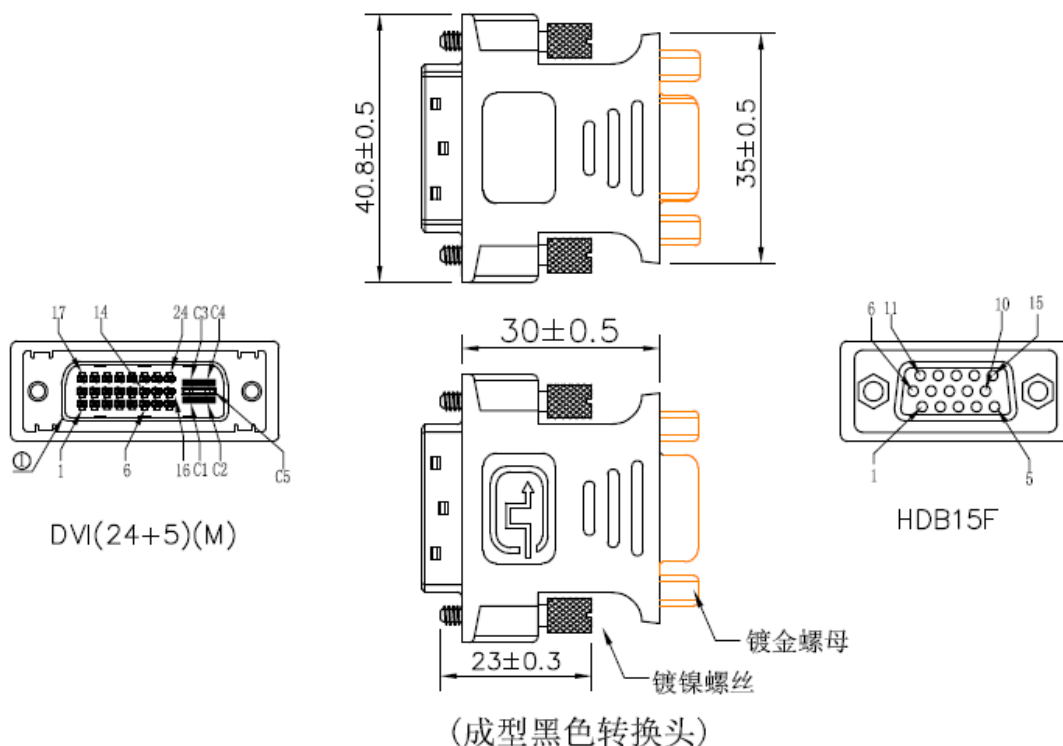

* Please note, this does not convert digital signals in analogue so will not work with DVI-D.
