

## GIGAPlus Patchcords

Brand-Rex GIGAPlus Patch Cords enable you to get the optimum performance from your cabling system. Our factory made and tested patchcords offer you guaranteed quality, and ensures your system avoids the performance degradation which inferior alternatives will give you at high data rates. All patchcords are supplied with boots and ID tag.

## GPC-PC-U-010-888-XXX

To be eligible for a Millennium warranty, systems must be supplied and installed by approved partners following the latest installation procedures. In order for a Millennium GigaPlus warranty to be provided, these products and other all passive components in the channel, must be from the approved GigaPlus range.
