Package size (L x W x H)	155 x 105 x 19 mm
Net weight	16.4 g
Gross weight	20.4 g
EAN code	5901720134080
Warranty	24 months

## Description

Akyga® AK-CA-51 is a high quality 50 cm long SATA III cable that allows you to connect components such as hard drives or SSDs.

The 90 ° angle of the connector makes it easy to connect to the socket, especially for enclosures with less spacious interiors.
