

BT 150

Product Description

Description

The Bosch BT 150 compact tripod with adjustable legs allows the user to work at precise heights ranging from 22 in. to 61 in. The tripod has a fine adjustment crank that allows for quick setup with the benchmark. The compact and lightweight BT 150 tripod is easy to store and transport. The 1/4 in. mounting thread makes it compatible with Bosch line lasers, point lasers and laser measures.
