Encapsulated transformer, PCB mount, 117 V, 12 V, 192 mA, EI 30-18, 32.6 x 27.6 x 29.8 mm

Manufacturer's part number :

44171

Manufacturer

Myrra

Description :

50/60Hz PCB Mount Encapsulated Transformers - EI Range.

RoHS

✓ **RoHS**

Technical Data :

[44171_Datasheet](#)

Features

- ✓ Vacuum filling
- ✓ Two compartments bobbins
- ✓ Self-extinguishing plastics UL 94 VO
- ✓ Degree of protection IP 00
- ✓ 70 grams weight
- ✓ Resin class B CEI 85 (20 000 h testing to CEI 126)
- ✓ Inherently short-circuits proof transformer
- ✓ UL approved primary versions: 24V, 48V, 240V (production on request)
- ✓ 30 V model is VDE EN 60742 certified (production on request)
- ✓ Insulation voltage 4 KV (6 KV MYRRA Test)
- ✓ 100 % tested production
- ✓ Certification : CCA procedure on request
