Tel.: +49 (0)7722 959-0

Order no.: 43851

Article number: SB369RH901

EAN: 4010995438517

Customs tariff number: 82041100

Simplifies your work: The ball end facilitates access to screws and allows you to work at an angle of up to 25°.

Makes handling easier: Always the correct key when you need it.

Saves time: Ensures order: removal and targeted insertion in the holder is child's play.

Increases your efficiency: Wiha MagicRing® holding feature holds all hex screws in place without a magnet.

Lowers your costs: Highly durable thanks to high-quality, chrome-plated L-key surface to prevent corrosion.

Application: Ideal for removing standard countersunk screws and inserting and fastening in horizontal, inclined or deep tapped blind holes.

Footnote: MagicRing® from size 3 mm.

Based on ISO 2936L.
