

DT70755-QZ

21pc Black&Gold Metal Drilling Set

Modular, stackable medium tough case. Designed for secure storage of accessories. Clear lid for easy bit identification. Use the locking system to connect the cases together, and securely stack with small, medium, and large Toughcases.

Selling Propositions

- Medium Tough Case
- System Set
- Connectable Case allows multiple sets to be stacked and locked together.
- TSTAK compatible to hold all your accessory sets in one place.
- Compatible with the TSTAK system via the Large Tough Case.
- High Speed Steel - wear resistance and longer life.
- Toughcore - tapered central core increases stability and durability, minimising breakage.
- Speed Tip - fast start, precise centering and guidance. No walking including on curved surfaces.
- No Spin Shank - 3 flat sides eliminates slipping in the chuck.
