# 6 Pole Male Din Connector, 611 Series DIN 41524, Etc

## Product Details

### DIN standard male plugs - black finish

Brought to you by the trusted RS Brand, this range of robust metal DIN connectors have all the benefits of the "standard metal" range, but are coated in a black finish. While the connectors have no lock, they are supplied with a cable tie and a grommet, ensuring a reliable and secure connection for standard DIN applications. The standard DIN connector measures 60.3mm in length and in 15.9mm diameter.
