

**BU-P4289****(BNC Male to SMA Female Adapter)**

- The BU-P4289 is a BNC male to SMA female adapter typically used in RF applications. The SMA end of the adapter uses a 1/4-36 UNS-2A thread.
- Material:    Body           Gold-plated brass  
                  Contacts       Gold-plated beryllium copper  
                  Insulator     PTFE
- Overall length 1.12" (28.50mm), BNC male jack OD = 0.54" (13.8mm)
- Ratings:
  - Impedance: 50 Ohms
  - Voltage:    Shield / Contact: 335 VRMS  
                  Shield / Earth: 30 VAC
  - Frequency: 12.4 GHz MAX
  - Temperature: -50°C to 170°C
- RoHS compliant
