Description

Trades	<ul style="list-style-type: none">• Construction• Electrician• Metal construction• Plumbing, heating and air conditioning technology
Product category subdivision	Cordless Angle Grinder
Positioning	Improved power level and tool control in the 18 V category
Long version part 1	The GWS 18V-10 SC Professional cordless small angle grinder offers an improved level of power and tool control in the 18 V category. It delivers cordless power equal to a 1,000 W corded grinder due to its powerful EC brushless motor and ProCORE18V battery technology. The grinder comes equipped with Drop Control, KickBack Control, and intelligent brake system, providing maximum user protection and convenience. Its Bluetooth Connectivity module allows for setting adjustments directly via the Toolbox App, while a user interface with speed selection provides active tool feedback for highest convenience. The tool is suitable for cutting and grinding metal, stone, and concrete. It is compatible with all Bosch Professional 18 V batteries and chargers (Flexible Power System).
Long version part 2	The GWS 18V-10 SC Professional also features Drop Control, intelligent brake system, keyless nut, and KickBack Control.
User benefit incl. Reason to believe	<ul style="list-style-type: none">• Small angle grinder delivers power equal to a 1,000 W corded grinder via EC brushless motor and ProCORE18V battery• Drop Control, KickBack Control, and intelligent brake system provide maximum user protection and convenience• Bluetooth module for setting adjustments via Toolbox app; user interface for active tool feedback and speed selection
Short version additional information	Also features Drop Control, intelligent brake system, keyless nut, and KickBack Control

Technical data

No-load speed [rpm]	4.500 – 9.000
Grinding spindle thread	M 14
Bore size, diameter [mm]	22,2

GWS 18V-10 SC

Internal ID	#46967
Master-Order-No.	0 601 9G3 40B

Technical data

Weight excl. battery [kg]	2
Equivalent [W]	1000

Tools

Grinding/cutting disc, diameter [mm]	125 (100) (150) (115)
Rubber backing pad, diameter [mm]	125 (100) (150) (115)

Noise/vibration information

Noise level	The A-rated noise level of the power tool is typically as follows: Sound pressure level 79 dB(A); Sound power level 90 dB(A). Uncertainty K= 3 dB.
