

## COMPACT-MOBIL ELECTRONIC SERVICE CASE

The trolley case with special tools for the assembly and maintenance of electronic devices

7000 **BERNSTEIN COMPACT-MOBIL** with tool assortment 7010, 7020 and 7030

7015 **BERNSTEIN COMPACT-MOBIL** without tools

7100 **BERNSTEIN COMPACT-MOBIL** with tool assortment 7010, 7020 and 7060

### Description:

Elegant case made from deep-drawn, impact-resistant, grained dark brown plastic with a continuous bronze anodised aluminium frame, dustproof and rainproof, acid-resistant, scratch-resistant and non-slip. For energy saving transport stable rolls are installed and a telescopic handle is mounted.

The arrangement of the rolls results in a vibration absorbing locomotion. The tools are held in their partitions.

The case has 3 removable tool trays: No. 7010, 7020 and 7030. The trays contain 63 tools. On request the tray No. 7030 may be exchanged for No. 7060 (VDE-tools). The lid of the case has a pocket for documents etc.

The plastic tray with adjustable partitions in the bottom allows a clear arrangement of a soldering iron, measuring instruments and accessories of various sizes.

The case has two locks.

**Outside dimensions: 500 x 400 x 200 mm**

**Weight without tools: approx. 8.000 kg**

**Weight with tools 7000: approx. 10.600 kg**

**Weight with tools 7100: approx. 10.700 kg**

### Tool set:
