

DMC1186 AF8 (M22520/1-01) TOOL KIT

For Electrical Connectors and Wiring Systems

DMC1186 AF8 AND ACCESSORIES TOOL KIT

The DMC1186 kit supplies your staff with the information and accessories necessary to use your AF8 (M22520/1-01) Standard Adjustable Crimp Tool and accessories for crimping size 12 to 26 electrical contacts.

Illustrated operating instructions are included for the AF8 and accessories.

The AF8 gives a Mil-Standard 8 impression crimp, which assures maximum tensile strength. The cycle controlled precision ratchet assures consistently accurate crimps every time. The tool frame has a built-in 8 step selector knob for ease in dialing the correct crimp depth setting for the wire being used.
