**Length (mm): 570**

**Width (mm): 660**

**Height (mm): 712**

**Weight (g): 43600**

- 140 piece mechanics starter kit
- A comprehensive mechanics starter kit built up using the Teng Tools Get Organised tool tray system and including socketry, combination spanners, screwdrivers, pliers and a selection of general hand tools
- Supplied in a 6 drawer red top box with 3 full width drawers and 3 smaller drawers secured with a combination lock
- Drop front with the Teng Tools logo to cover the drawers when the box is closed
- A handy lightweight plastic and aluminium tote tray is included for taking tools to the job in hand
- Drawers have ball bearing slides for a smoother and more reliable opening and closing action
- Supplied with rubber feet to prevent it from sliding and to avoid scratching
- Heavy duty carrying handles on each side with rubber dipped grips for added comfort
- Manufactured from heavy gauge top quality steel for rigidity and durability
- Powder coated with a 5 step rust prevention and undercoat to help prevent corrosion
