

FEATURES

- Ideal for bonding, attaching and mounting
- Designed for irregular surfaces
- Resistant to moisture and UV Radiation
- Dampens down vibration and can be used as a draft excluder

RS PRO Black Foam Tape, 12mm x 10m, 3mm Thick

RS Stock No.: 567-963

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This exceptional RS PRO Black EPDM Foam tape uses a closed cell foam with a high-performance rubber adhesive as an alternative to hot melt adhesives. It features a strong initial adhesion and great holding power to a variety of materials.
