

# *Mikro Simcon SIM340Z Connector*

## *Model:1008-G60N-01R*

### Description:

The 1008-G60N-01R is a Board-to-board connector. This high density SMT connector is designed for parallel PCB-to-PCB applications. The 1008-G60N-01R is ideal to use in VCRs, notebook PCs, cordless telephones, mobile phones, audio/visual and other telecommunications equipment where reduced size and weight are important.

### Specifications:

- Model :1008-G60N-01R
- 0.5mm pitch 60pin board to board connector
- Block MH = 2.0mm
- Scope of: SIMCONNGPS module SIM300, 300S, 340,340 S, 300Z, etc.
