Qoltec HDD Caddy for laptop 2.5" HDD | 9.5 mm

Product code: 51868

A modern HDD pocket with a built-in cable with a USB plug allows you to connect an additional disk to a PC or laptop. Our device offers:
- compatibility with Windows, Mac and Linux systems,
- support for SATA3 standards,
- Plug & Play interface

Bigger capacity for more possibility

Electronic devices, especially PCs and laptops, have revolutionized our lives. We use them every day at work and at home. You watch movies, family photos, listen to music with friends, or prepare a presentation for school or work.

From year to year, producers offer us better and better computer parameters, including greater disk capacity, but is the only way to run out of space for files is to buy a new model? Of course not. The ideal solution will be an additional disc that you can conveniently place in the Qoltec pocket and you mount it in the laptop case.

Compact size, Extreme memory

The HDD pocket allows you to quickly and safely rip files, edit them, save changes – you have full control over your data. Our device offers:
- compatibility with many Windows and Mac systems,
- support for SATA3 standards,
- ease of use provided by the Plug & Play interface,

Confidence confirmed by a warranty

If you value the quality of purchased equipment our projects and solutions are focused on meeting your expectations. Qoltec HDD pocket is covered by 24 months warranty.
