

## LED, socket T 4.5, 3 Volt, green, LED

---

### description

### technical data

---

#### > general

|                             |         |
|-----------------------------|---------|
| illuminated                 | Yes     |
| Luminous element color      | green   |
| Operating temperature, min. | -20 °C  |
| Operating temperature, max. | 60 °C   |
| Luminous elements           | LED     |
| Lamp socket                 | T4.5    |
| Packaging unit              | 10 pcs. |
| net weight                  | 0.4 g   |
| standard delivery time      | 3 weeks |
| RoHS compliant              | Yes     |
| REACH compliant             | Yes     |
| MOQ order                   | 10      |

#### > electrical data

|   |     |
|---|-----|
| Operating voltage of the luminous element, max. | 3 V |
