

Ferrite Hook Magnets

The pot magnets with a hook are sometimes called ceiling magnets. These magnets are white painted and are supplied with a detachable threaded hook.

The pot magnets with a hook are widely used for hanging posters, banners and displays in supermarkets, large DIY stores, exhibition areas, car ferries and cruise ships.

- Supplied with removable threaded hook
- 120° maximum operating temperature
- Excellent resistance to corrosion
- Mild steel pot with white painted body
- Cost effective magnets
