RS PRO Audio Connector Adapter

RS Stock No.: 392-592

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

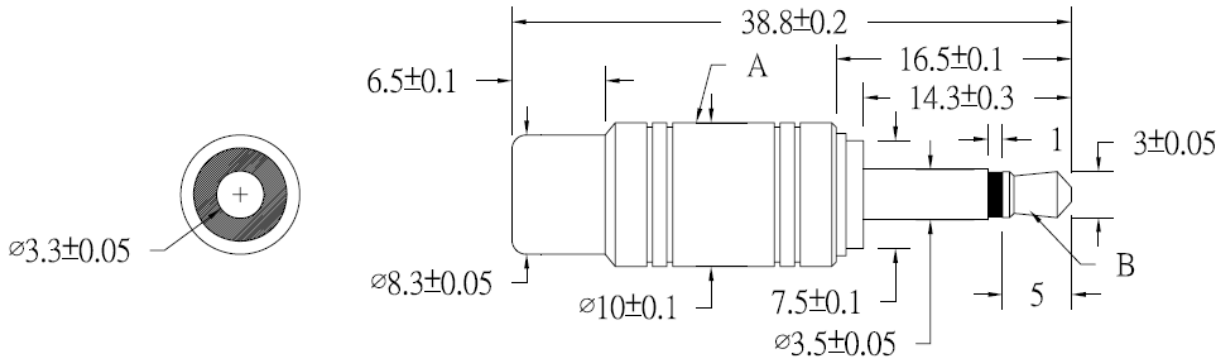

The RS PRO AV Adapter is a reliable and hard-wearing mono jack adaptor featuring an RCA Phono socket and a 3.5mm jack enabling the simple and easy connection of an RCA cable to a single channel mono audio socket. Constructed from Brass with a hardwearing Nickel plating combining excellent conductivity with corrosion and moisture protection and finished with a grooved protective plastic cover for a firm grip.
