

Model: **AK-SW-21**

Product code	AK-SW-21
Compatible with	Huawei
USB output voltage	5 V / 1 A
Power supply connector	USB
Cable length	1 m
Data transmission	Yes
Product size (L x W x H)	40 x 40 x 10 mm
Package size (L x W x H)	160 x 115 x 11 mm
Net weight	28 g
Gross weight	31 g
CE compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720136701
Warranty	24 months

Description

The **Akyga® AK-SW-21 magnetic pad** is used for charging **Huawei Watch GT** sports watches. It is a small **charger with a built-in magnet**, which keeps the charged smartwatch in the right position and at the same time protects it from accidental knocking down. What's more, this puck has the popular **USB-C connector**, so you can freely change the charging cable as required. Included with the charger is a universal **USB - USB C cable with a length of 1 m**, which gives you a free choice of power source. This can be either a powerbank, a USB mains adapter or a laptop.
