

3M™ 1100B Ear Plugs

The 3M™ 1100R bottle is aimed to be used to refill 3M™ 1100B bottle as part of our 3M™ One Touch™ dispenser unit .

The smooth, dirt resistant surface of 3M™ 1100 Ear Plugs provides better hygiene, durability and comfort. The tapered design fits most ear canals and is making the plugs easier to use.
