DESCRIPTION

For untangling [insane hairdos](#) we have moisturizers and combs, but if your desk or work bench is a big ol' mess of cables / wires / test leads then unfortunately you can't just comb it out. Introducing the **Pomona Test Lead Holders!** No need to waste any more time searching for a particular test lead or cable.

This is the black version, meant for wires up to .32" diameter or 0AWG.

With these racks, all of your patch cords and cable assemblies can be conveniently filed for

instant selection within easy reach! The holder mounts quickly and simply on any vertical surface

- cables are easy to store and easy to remove.

We also have these in [orange for wires up to .21" diameter](#) and in [blue for wires up to .45" diameter](#)!

Note: Shipping weight reflects [UPS' new dimensional weight regulations](#).
