## Specifications

|                                    |                           |
|------------------------------------|---------------------------|
| Product Type                       | Crystal Unit              |
| Series                             | XRCGB                     |
| Type                               | HCR2016                   |
| Frequency                          | 48.0000MHz                |
| Frequency Tolerance                | +/-100ppm max. (25+/-3°C) |
| Operating Temperature Range        | -30°C to 85°C             |
| Frequency Shift by Temperature     | +/-50ppm max.             |
| Frequency Aging                    | +/-50ppm max.             |
| Equivalent Series Resistance (ESR) | 100ohm max.               |
| Drive Level (DL)                   | 150µW (300µW max.)        |
| Load Capacitance (Cs)              | 6pF                       |
| Shape                              | SMD                       |
| Wash                               | Not available             |
| L x W (size)                       | 2.0x1.6mm                 |
| Mass                               | 6.9mg                     |
