A2G-20 0...2m/s, 0...10 m/s, 0...20 m/s over jumper to selectable

A2G-20 air2guide - air velocity transmitter

Item number:	42500761
Quantity:	1 pcs.
Order code:	A2G-20-3H1AAQ-MZ-SF-ZZ 2H
Overview:	A2G-20 0...2m/s, 0...10 m/s, 0...20 m/s over jumper to selectable
	A2G-20 air2guide - air velocity transmitter
	Output signal: 4...20 mA, 0...10 V
	Digital display: without
	Ingress protection: IP 54
	Additional ordering information: without
	Certificates: without
Details:	A2G-20 air2guide - air velocity transmitter
	with mounting flange
	Specifications according to data sheet: SP 69.06
	Kind of measurement: Air velocity transmitter
	Unit: Air velocity m/s // Temperature 0...50°C
	Scale range: 0...2m/s, 0...10 m/s, 0...20 m/s over jumper to selectable
	Output signal: 4...20 mA, 0...10 V
	Digital display: without
	Front panel design: standard air2guide
	Ingress protection: IP 54
	Certificates: without
	Additional ordering information: without
