Product Description

The 2x6 Digital Discovery signal cable assembly, or flywire, is the same assembly that ships with every Digital Discovery we sell. The 2X6 flywire features two VCCIO\_USR wires (red), two GND wires (black), and eight signal wires (colored). It has a 2X6 female connector for the Digital Discovery DIN, and twelve 1-pin female connectors for the device under test.

Features:

- 2x6 female connector for Digital Discovery DIN connector
- 12 1-pin female connectors for the device under test
- 2x6 flywire signal cables:
  - Two VCCIO\_USR wires (red)
  - Two GND wires (black)
  - Eight signal wires (colored)
