

Grove - Universal 4 Pin Buckled Cable (5 PCs pack)

PRODUCT DETAILS

The Universal 4 Pin Buckled Cable is made for the Grove System to connect all of the Twigs to the Stem - Basic Shield or to other Twig compatible boards for quick prototyping. As a lot of users ask for different length of cables, so we made the 5cm, 20cm, 30cm, 40cm and 50cm cables for different applications.
