Hazards

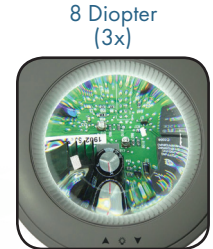

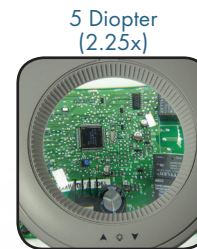

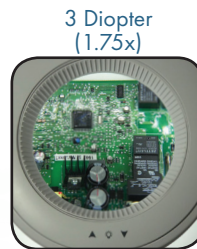

- Easy lens replacement
- Use the same lamp for multiple magnifications
- Crystal clear, distortion-free viewing

- 60 ultra-bright SMD LEDs
- LED lifespan: Min. 20,000 hours

- Adjustable tension knob
- Set lamp position and tighten
- Stays in place in any position

## Why Settle For One Magnification Range?

Aven's **ProVue Solas** magnifying lamps give users the flexibility of selecting between two crystal clear lenses. Each model is compatible with two lenses to help users optimize the **ProVue Solas** for the right applications.
