

Qoltec External Hard Drive Case HDD/SSD 2.5" SATA3 | USB 2.0 | Black

Product code: 51862

A modern hard drive case HDD / SSD 2.5" with SATA 3 and an attached cable with a USB plug will allow you to connect an additional disk to a PC or laptop. Our device offers:

- compatibility with Windows and Mac systems,
- support for USB 2.0 and SATA3 standards,
- Plug & Play interface

Bigger capacity for more possibility

Electronic devices, especially PCs and laptops, have revolutionized our lives. We use them every day at work and at home. You watch movies, family photos, listen to music with friends, or prepare a presentation for school or work.

From year to year, producers offer us better and better computer parameters, including greater disk capacity, but is the only way to run out of space for files is to buy a new model? Of course not. The ideal solution will be an external drive that you can conveniently place in the Qoltec casing and connect to any device at work or at home.

Compact size, Extreme memory

The HDD / SSD pocket allows you to quickly and safely rip files, edit them, save changes - you have full control over your data. Our device offers:

- compatibility with many Windows and Mac systems,
- support for USB 2.0 and SATA3 standards,
- ease of use provided by the Plug & Play interface

Confidence confirmed by a warranty

If you value the quality of purchased equipment our projects and solutions are focused on meeting your expectations. Qoltec External hard drive case is covered by 24 months warranty.
