Increases your efficiency: Compact and space-saving tool range.

Protects your health: With the patented SoftFinish® handle design, ensuring work is kind to hands and muscles. Recommended by doctors and therapists at German Campaign for Healthier Backs.

Offers you full protection: Each tool individually tested at 10,000 V AC and approved for 1,000 V AC.

Design: VDE tools with insulation up to 1,000 V AC, GS tested.

Design: Pocket size approx. 31 x 24 x 4 cm.

Design: High quality tools in a practical toolbag.

Design: Individually tested for electrical safety in accordance with IEC 60900:2012.

The 7-pc. tool set provides the basic kit for the most common applications for electricians. Featuring a zip, carrying handle and pockets for hand tools, the fully folding tool bag provides plenty of storage space and an orderly arrangement. The insulated SoftFinish® electric slimFix screwdrivers easily reach even low-lying screws and spring elements thanks to their very slim blades. Also insulated, the heavy-duty diagonal cutters with DynamicJoint® technology, a unique joint design for optimum hand force transmission, complete the equipment assortment in this tool bag.
