

53 Staples – no 1 in Fine Wire staples

53 staples are made of fine wire which makes them almost not visible.

Ideal to staple textiles and wood together. The fine wire has a minimal effect on the textile fibres. This staple is the N°1 staple on the DIY market, used for decoration mainly.

Features:

- Fine wire staple for Decoration, Textiles, Leather, Light Joinery, Tapestry and labelling.
- Exist in short and long strip for both DIY and PRO tools
- Available in Galvanized or Stainless steel finish
- 3 kind of packaging : Narrow Blister, Carton box and Sturdy Box (PP)

Specifications:

- Fastener range 4-20mm
- Finish Galvanized or Stainless AISI-304 (A2 class)
- Collation Straight glued strip
- Point Chisel
- Crown 11,4mm
- Wire..... 0,75mm
- Hardness Standard / High Performance
