## push-in fitting CRQS-1/2-12 Part number: 162868

male thread with external hexagon.

## **Data sheet**

| Feature                                       | Value  |
|---|--|
| Size  | Standard   |
| Nominal size                                  | 8.1 mm   |
| Assembly position                             | Any  |
| Design  | Straight design  |
| Container size                                | 1  |
| Design structure                              | Push/pull principle                                      |
| Operating pressure complete temperature range | -0.95 10 bar   |
| Maritime classification                       | see certificate  |
| Operating medium                              | Compressed air in accordance with ISO8573-1:2010 [7:-:-] |
|   | Water as per manufacturer's declaration at www.festo.com |
| Note on operating and pilot medium            | Lubricated operation possible                            |
| Corrosion resistance classification CRC       | 4 - Very high corrosion stress                           |
| Food-safe                                     | See Supplementary material information                   |
| Ambient temperature                           | -15 120 °C   |
| Product weight                                | 55 g   |
| Usable wires                                  | PFAN   |
| Mounting type                                 | External hex A/F 22                                      |
| Pneumatic connection, port 1                  | Male thread R1/2   |
| Pneumatic connection, port 2                  | For tubing outside diameter 12 mm                        |
| Materials note                                | Conforms to RoHS   |
| Material housing                              | High alloy steel, non-corrosive                          |
| Material release ring                         | High alloy steel, non-corrosive                          |
| Material of tubing seal                       | FPM  |
| Material of tube retaining claw               | High alloy steel, non-corrosive                          |
